

Workforce Training

Training Dollars, On-The-Job Training, and Pre-Employment Training

Click here to view Training Incentives: http://www.tn.gov/ecd/BD_FastTrack.html

Below are our Training Providers:

Northeast State Community College

- 6,500 students
- Associates degrees in more than 130 fields of study which can be transferred to other colleges or universities
- Associates of Applied Science degrees in more than 30 fields of study
- Academic and Technical Certificates in more than a dozen fields of study
- Northeast State's main campus is in Blountsville, with regional campuses in Bristol and Kingsport

Regional Center for Advanced Manufacturing

Few communities truly have a Public-Private Partnership to development an advanced manufacturing workforce to rival Sullivan County's. Our Regional Center for Advanced Manufacturing (RCAM) was funded by Eastman, Domtar Corporation, Kingsport Chamber of Commerce, City of Kingsport, State of Tennessee, and Northeast State Community College. The RCAM offers programs in:

- Chemical Process Operations
- Electrical Technology
- Electromechanical Technology
- General Technology
- Machine Tool
- Welding/Metal Fabrication

Additionally, the RCAM has space to setup mock industrial lines on which to train your employees.
